Write a two-page narrative that describes why this opportunity is ideal for your organization at this time. Consider the following:

- The type of management assistance (see menu of areas) that your organization would like and a rationale for an in-depth engagement at this time. You may address more than one area.
- Your organization's experience in this area: successes and weaknesses
- The organization's commitment to the process (the time and attention needed to engage in Building for Change)
- The support the organization has in this area
- The obstacles that have kept your organization from being as successful as you would like
- The goal in being a part of Building for Change

If selected, we will comply with the format and policies of the program.
